MUNICIPAL BULLETIN No. 9

1915

STATISTICS OF ONTARIO MUNICIPALITIES

We present in this preliminary Bulletin for all municipalities, grouped into counties and districts, the population for 1915, and the assessed values, the taxes levied thereon, debenture debts outstanding, and sinking funds on hand for 1914. Even at this date many returns have not been received from municipal officers, and numerous letters in reference to errors and omissions remain unanswered. In these cases the latest data available have been given.

Accurate statistics are not readily obtainable because proper records are not kept by many municipalities. We have drawn attention to many irregularities and these are gradually disappearing. Hundreds of calculations to determine the principal of debenture debts had to be made in this office.

The following are the totals for the statistics given in this Bulletin as compared with similar temporary figures given in Bulletin No. 8:—
